DETAILED ACTION

Election/Restrictions

Restriction to one of the following inventions is required under 35 U.S.C. 121:

- Claims 1-5, drawn to a method of for treating hypertension, classified in class 514, subclass 1.
- II. Claims 6-11, drawn to method for treating heart disease, classified in class514, subclass 1.
- III. Claims 12-14, drawn to a method for treating intermittent claudication,classified in class 514, subclass 1.

The inventions are distinct, each from the other because of the following reasons:

Inventions I-III are disclosed as different combinations, which are not connected in effects. The invention of Group I have different effects than the method of II or III.

Because these inventions are distinct for the reasons given above and have acquired a separate status in the art because of their recognized divergent subject matter, restriction for examination purposes as indicated is proper.

Applicant is advised that the reply to this requirement to be complete must include an election of the invention to be examined even though the requirement be traversed (37 CFR 1.143).
